**BWF SYNTHETIC FLOORING APPROVAL SCHEME:  
GERFLOR - TARAFLEX SPORT M PERFORMANCE**

I am pleased to confirm that the **TARAFLEX SPORT M PERFORMANCE** flooring from **GERFLOR** has been approved for International level play from **1 January 2022 to 31 December 2023**.

You are entitled to include the approval statement on **TARAFLEX SPORT M PERFORMANCE** flooring:

**"Certified by the BWF according to BWF Standards - Grade 1: BWF International Elite (A-Tested for use as Badminton Floor Surface) & (B-Tested for use only as sub-floor for Badminton Court Mat)"** on the packaging for that certified flooring.

You are **not** allowed to display the BWF logo on your packaging and any advertising for your flooring. You may also have a link from your listing on our web site directly to your own. Please advise the URL to which that link should be made.

The BWF shall not as a consequence of granting this approval be responsible for any claim arising out of any actual or alleged defect in or damage caused by the approved flooring. You will undertake to indemnify the BWF fully in respect of any such claim and to ensure that appropriate product liability insurance is maintained by you at all times.

This approval only applies to the **TARAFLEX SPORT M PERFORMANCE** flooring brand and grade, provided that no changes are made to the components, method of construction, nature or quality of the flooring tested. If any changes to the components, method of construction, nature or quality of the flooring are made without our prior written consent it will result in approval being automatically withdrawn. In such circumstances it will be necessary for you to submit a fresh application.

In the meantime, thank you for your continued interest and support for the BWF Approval Scheme.

Yours truly,

.....
