

Mipolam Elegance

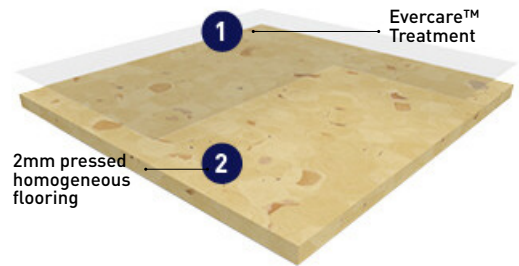

Quick-ship, in stock colors shown on front. More colors available on back.

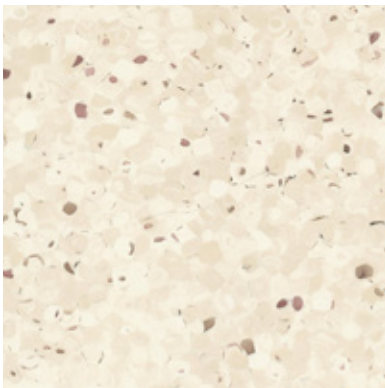

HIGH PERFORMANCE FLOORING SUITABLE FOR USE WITH HEAVY TRAFFIC AREAS

MIPOLAM ELEGANCE is a .08" (2mm) thick high performance homogeneous sheet flooring product. It contains a non directional design with color throughout the thickness and integrates a 3D effect (transparent particles) and a matte finish.

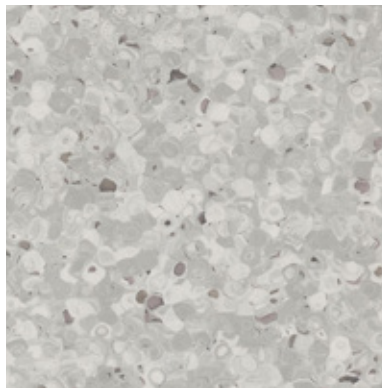

It is protected with the revolutionary Evercare™ surface protection which is stain resistant, easily maintainable and will not need to be waxed over the life of the floor.
