# Taralay Impression

## Enhanced durability to withstand heavy traffic usage

Over 200 million square feet of flooring have been installed since the 1<sup>st</sup> generation of Taralay Impression. Brand new designs and colors with all the usual long-standing benefits: sustainable, easy to clean and available in a wide range of designs.

- ① Protecsol2 surface treatment
- ② Transparent wearlayer
- ③ Design
- ④ Fiberglass
- ⑤ Compact interlayer

## Performance and maintenance engineered for healthcare and beyond

### PROTECSOL2, THE STAIN GUARD

- Reduces cleaning time and saves money
- Uses less water and fewer cleaning products (detergent, etc.)
- Resistant to chemicals

Its water-repellent effect prevents products that stain from penetrating.

Stains get ingrained in all other floor covering products on the market.

### Stain test

### Results after cleaning

Using a neutral detergent	Taralay Impression	Printed flooring/ transparent wearlayer	Homogeneous flooring/ single-layer
After 10 mins			
After 1 hr			

Full stain resistance table available on request
