

### DESCRIPTION

Description		Multicolored PVA welding rod for hot welding to ensure a watertight connection between 2 rolls. Compatible with PVC free flooring such as Mipolam EVO.
Installation		Hot welding - for a better weld use an adapted nozzle
Weight	g/lm	11,5
Shore		
Diameter	mm	4,0 ± 0,2
Packaging	unit/box	1 coil (60 (+1/-0) lm)
Colors available		Consult Gerflor.com
Product Code(s)		HZ01

### PERFORMANCES

Welding resistance - NF EN 684	DaN/cm	
Elongation at break- EN ISO 527R	%	>70%
Melting range- ISO 11357-2	°C
