RESILOOP READY

The **Virtuo Classic 55 XL** range of glue down planks brings you the very latest colours and ultra-realistic designs in large format. These durable and waterproof planks combine low maintenance practicality with true designer elegance in any room of your home. Your family, including the four-legged members, can enjoy healthy living with Virtuo Classic 55 XL's super low VOC emissions, 0.5mm wearlayer and tough PUR surface protection. This permanent installation method guards against any shrinkage or expansion of the planks making them ideal for Australian conditions where extreme temperatures are common.

Gerflor's superior design and construction method gives you and your family peace of mind knowing that your flooring will look and perform well for years to come.
