Art Loc

by Kenbrock

This hybrid range is inspired by many of the natural timbers found throughout Australia. From the warm feel of Wild Sassafrass to the cool hues of Geebung Blackbutt, combined with different embossing chosen to complement each colour. Artloc is sure to give your home the authentic timber look and feel with many added benefits that comes with Hybrid Flooring.

- 100% waterproof with the ability to be installed in wet areas creating a seamless look throughout your home.
- 0.5mm heavy duty wear layer making it suitable for every busy household.
- PUR Surface Protection layer making it durable and easy to clean giving you more time for other things.
- Highly resistant to scratching and indentation, perfect for the ever growing family.
- Phthalate free, with no harmful fillers nor harmful plasticisers.
- 100% waterproof matching scotia is available to compliment your floors.
