- Material: 1.5 mm antibacterial and smooth PVC, Bs2d0 fire-rated, solid colour on 2 mm continuous aluminium profile. Bactericidal joints.
- Fixing: onto metal fixing plates covered by a rose, diameter 124 mm, with metal expansion plugs (4 plugs per fixing plate)
- Colours: 39
 - 28 in stock
 - 11 in order

SPECIFICATION

- Description: double vertical bedhead protection (Linea'Bedkit as manufactured by SPM) from smooth and antibacterial PVC profile, 1.5 mm thick, achieving Bs2d0 fire rating with solid colour. It comprises vertical PVC profile to snap-fix onto continuous aluminium rail, 2 mm thick. It is 600 mm high and 40 mm wide. Its projection is variable upto 253 mm. The section comprises a groove into which closer and 2 wedges, for fixing by clamping screw, slide and lock onto 2 white coated metal extenders, diameter 25 mm and adjustable length upto 200 mm. The finishing is ensured with 2 flat endcaps with bactericidal joint.
- Environment: no heavy metals and no substance potentially subjected to any REACH restriction are used in its manufacture, nor PBT/BPA. The calcium-zinc thermal stabilisation process is used. The emission level of volatile substance in inside air has been tested according to ISO 16000-6 and is very low (A+) according to the French regulation (23 March 2011 nr 2011-321 Decree and 19 April 2011 Order). 100% of the product are recyclable.
- Colour: selected by architects from manufacturer's standard range.
- Installation method: fixes continuous aluminium profile covered by the PVC profile onto the metal extenders and then onto the metal fixing plates with metal expansion plugs. Finishing with flat endcaps and closer.
