Gerflor®

AN INNOVATIVE CORNER SYSTEM

Controlling contamination in technical facilities and clean rooms is always a challenge. Corners, in particular, are where most of the imperfections are found:

- Their shape makes cleaning and decontamination difficult
- Poorly welded, they can tear or sag under the weight of traffic
- Weakened by use, they end up losing their watertightness

In partnership with cleaning professionals, Gerflor has developed **Clean Corner System**: a patented innovative corner solution. Years of research and development have led to **Clean Corner System** (this system works only with Gerflor floors). Thanks to ultra-resistant and versatile profiles (photo 1), the **Clean Corner System** is suitable for all your projects, for perfect results (photo 2).

FOR EXCEPTIONAL RESULTS

	WATERTIGHT	<ul style="list-style-type: none">• Compliant with GMP• Easy coving• Limited and easy welding
	RESISTANT & DURABLE	<ul style="list-style-type: none">• Ultra-resistant corner profiles
	CLEAN	<ul style="list-style-type: none">• Quick and easy cleaning and decontamination• No blind spot
	VERSATILE	<ul style="list-style-type: none">• Suitable for all Gerflor floors• Suitable for all skirting heights (70mm to 128mm)• Suitable for all cove formers (20mm to 38mm)• Suitable for all angles (85° to 95°)
	ATTRACTIVE	<ul style="list-style-type: none">• Neat and uniform design for all your corners

ULTRA CLEANLINESS

Suitable for all Gerflor PVC floors, the **Clean Corner System** technology meets the requirements of professionals in:

- The pharmaceutical industry in accordance with GMP (Good Manufacturing Practice).
- The health sector meeting the constraints of risk zones 4.

... THAT MAKES THE DIFFERENCE

> QUICK AND EASY CLEANING AND DECONTAMINATION

> SUSTAINABILITY, DURABILITY & STABILITY

No risk of tearing or delamination of the floor covering in the corners.

> WATERTIGHTNESS & VERSATILITY

Developed to make coving easier in the corners and to limit welding, the **Clean Corner System** ensures perfect watertightness.

Floor + pharma partition (with or without coving sections)

Floor + Decoclean / Decochoc (welding)
