A new generation of waterproof* wall covering

Waterproof product*

- Water resistant
- Washable product
- Installation in shower and / or bathtub area

Easy and quick to install

- Lightweight product that is easy to cut
- Can be installed in a third of the time it would take to install ceramic tiles
- The room's first use can be within 24 hours

Suitable for all surfaces

- Glue-down installation
- Suitable for new builds
- Refurbishment over existing ceramic tiles

Super realistic design

- Matte or glossy designs
- Tile and XL/XXL panel sizes
- Extra-thin joints
- Perfectly matched to Gerflor flooring

Durable design

- Groove/tongue assembly
- Rigid product

Full range

- Aluminium profile design for a perfect finish

Eco-design

- Reach compliant
- 100% recyclable, eligible for the Second Life Program
- Contains up to 30% recycled products

Stocked for quick delivery

- Designs featuring the icon are available in 65×37.5cm tiles from stock

Each project is unique

The Revela Mural Wall collection offers super realistic designs with stone, cement or marble effects and are available in 3 sizes:

- Tiles: 65 × 37.5 × 0.5 cm
- XL Panels: 90 × 260 × 0.5 cm
- XXL Panels: 120 × 260 × 0.5 cm*

Designs with a warm touch, sizes that can be combined thanks to a tongue and groove system thus offering a wide Mix & Match choice, an understated joint and modern... the only key points in a unique project where every detail counts.

Durable, waterproof* and sustainable

Only 5mm thick but just as resistant as ceramic tiles

- 1 Polyurethane protective varnish
- 2 Decorative film
- 3 Intermediate stability layer
- 4 Rigid layer

- A groove/tongue system
- A compact and resistant product
- 100% waterproof* even in the shower and/or bathtub area
- A thin and trendy joint that does not go yellow
- A product that is easy to clean and maintain
- Durable designs that won't fade

* By respecting the Gerflor installation protocol

Suitable for all types of installation

A product that is suitable for new builds, as well as refurbishments

- Direct installation on top of old ceramic tiles or on rough walls
- A rigid product that is suitable for all surfaces, even ones that have slightly deteriorated
- Suitable for refurbishments in busy environments

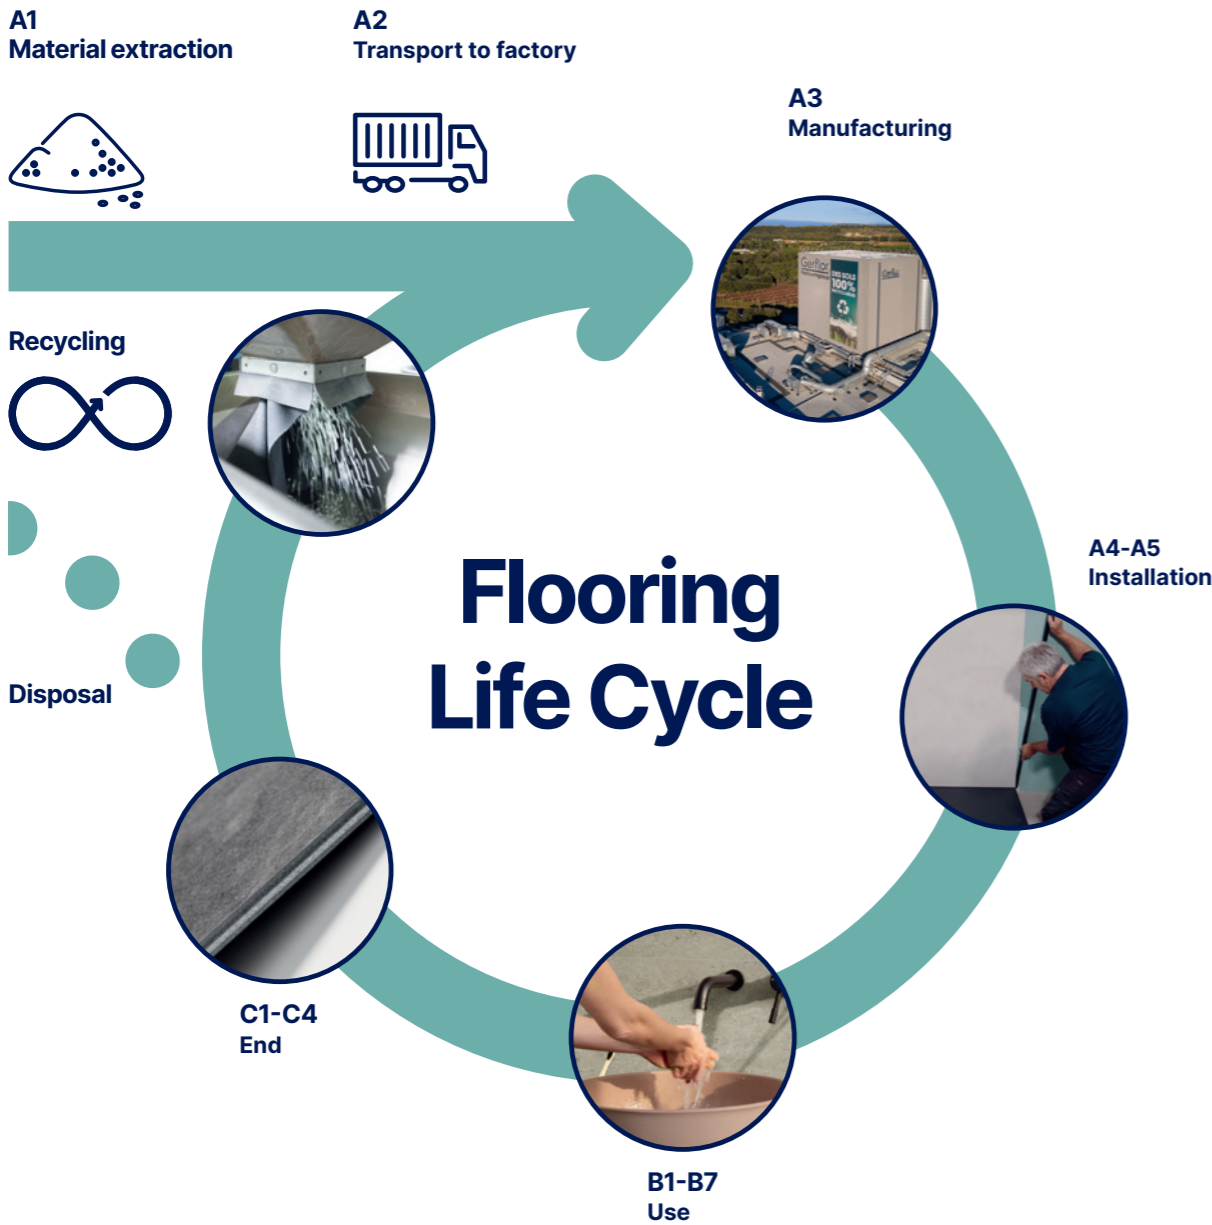

Quick and easy to install

- Lightweight product, comfortable to install
- Easy material to work with and cut
- Clean, low dust construction site
- Quick and easy tongue and groove installation
- Reduced downtime, you can shower within first 24 hours after installation

Our Commitments for a Sustainable future

All Gerflor product ranges are developed according to a life cycle analysis model

Carbon footprint

- Manufacturing Footprint in Europe
- ISO 14001 & 50001 certifications
- Renewable energy

1 site of production in Belgium

MADE IN EUROPE

Circularity

- 100% recyclable products
- Up to 30% of recycled content
- 100% recycled cardboard packaging

Health and safety

- 100% compliant Reach
- Formaldehyde free
- Indoor Air Quality: TCOV <100 µg/m³ after 28 days (ISO 16000-6)
