

Modular Living

Classic

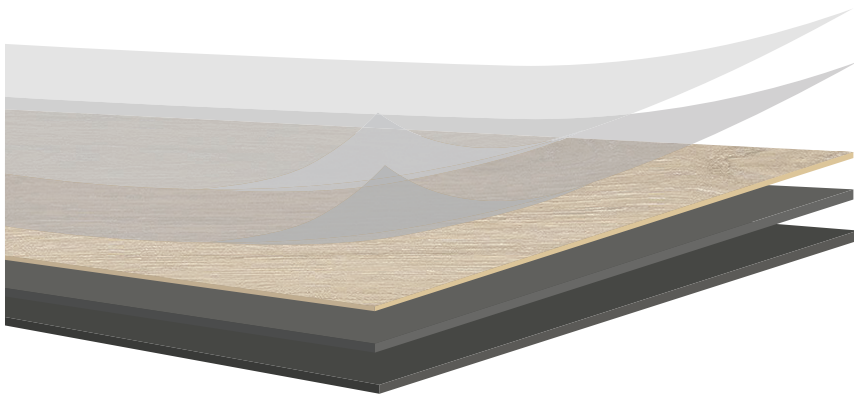

CARPET COURT

Modular Living *Classic*

The development of this collection was driven by the need to offer a practical solution for both residential and commercial settings.

The colour palette was carefully curated to include a variety of shades and oak grain patterns, as well as traditional Australian gum designs. From the soft neutral tones of Aspen Oak, to the deep rich hues of Blue Gum, there is a choice for every design trend.

Modular Living Classic was designed for optimal performance, featuring a heavy-duty wear layer for excellent durability and a PUR surface treatment to protect against scuffs and scratches. Not only does it withstand heavy foot traffic but is also quick and easy to maintain.

1. PUR Surface Protection
2. 0.55mm Heavy Duty Wear Layer
3. Design Layer
4. Resilient Vinyl Layer
5. Stability Backing Layer

Cover:

Aspen Oak

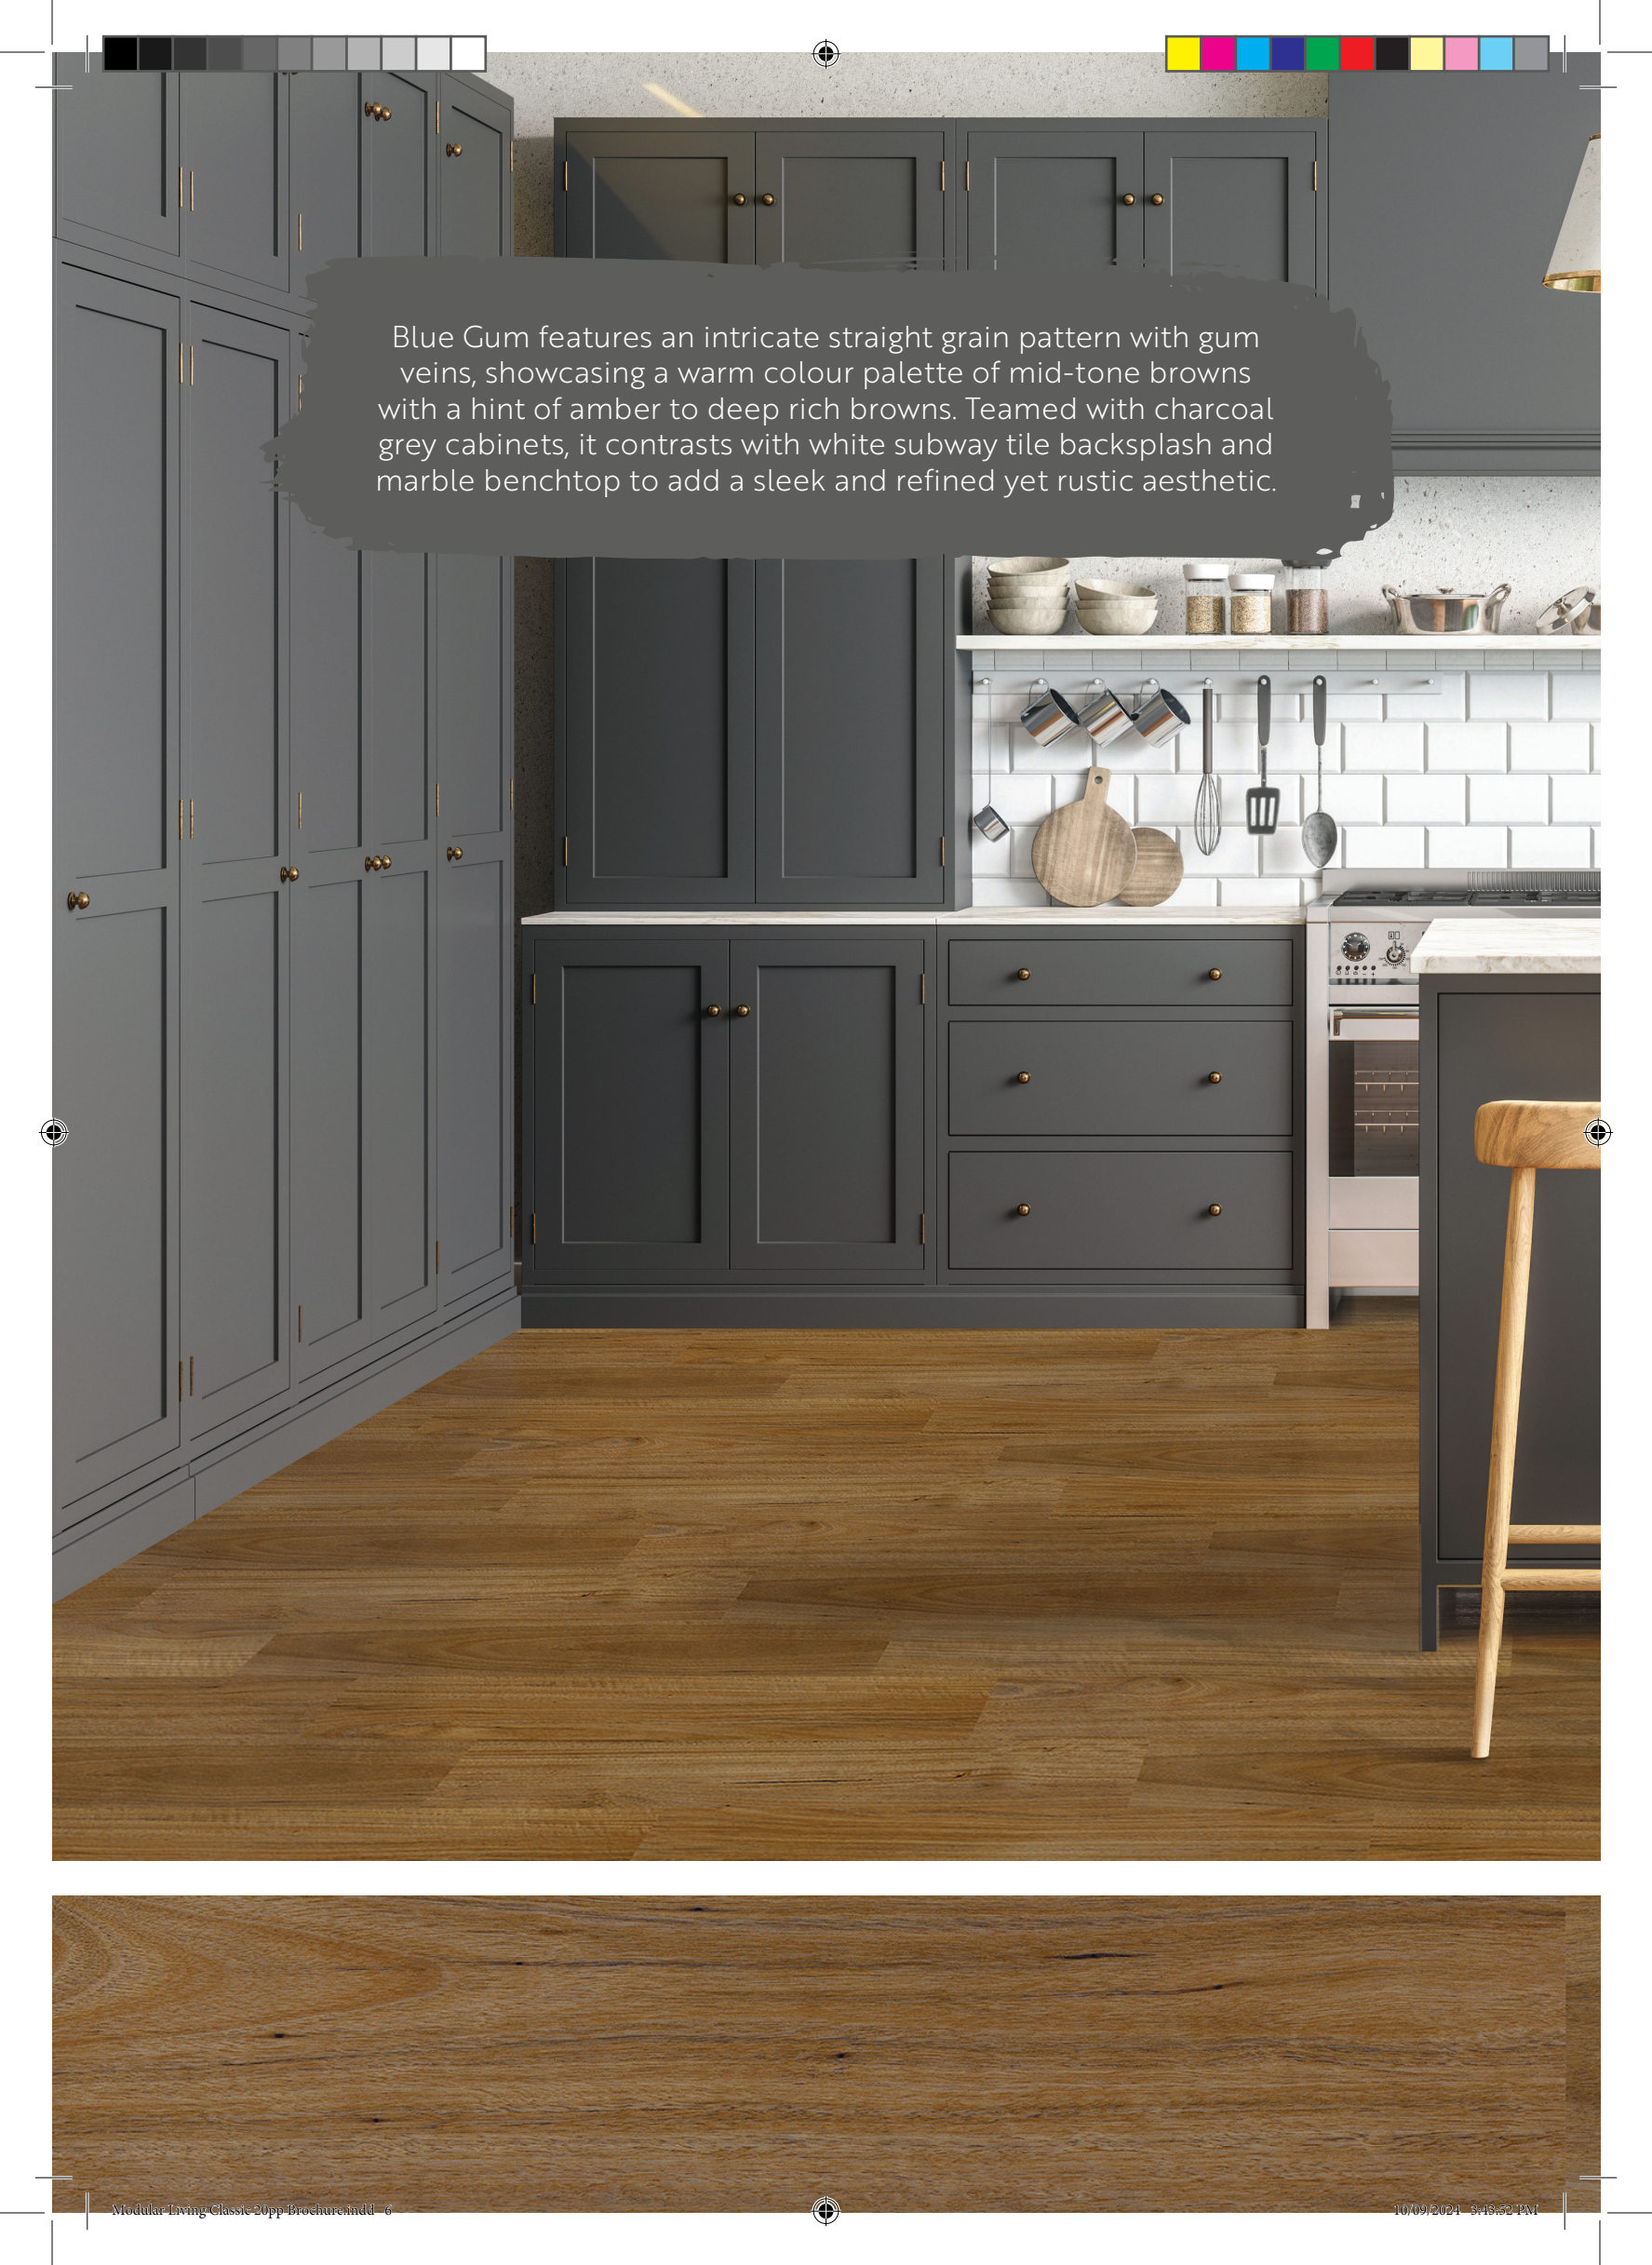

Silver Oak

River Gum has a warm yet neutral colour palette ranging from light beige to medium brown, with a linear grain pattern featuring elongated gum veins of darker tones. Combined with crisp white bedding, muted pink throws, a textured bedhead and wooden bedside tables it creates a serene ambiance while exuding natural warmth.

Blue Gum features an intricate straight grain pattern with gum veins, showcasing a warm colour palette of mid-tone browns with a hint of amber to deep rich browns. Teamed with charcoal grey cabinets, it contrasts with white subway tile backsplash and marble benchtop to add a sleek and refined yet rustic aesthetic.

Blue Gum

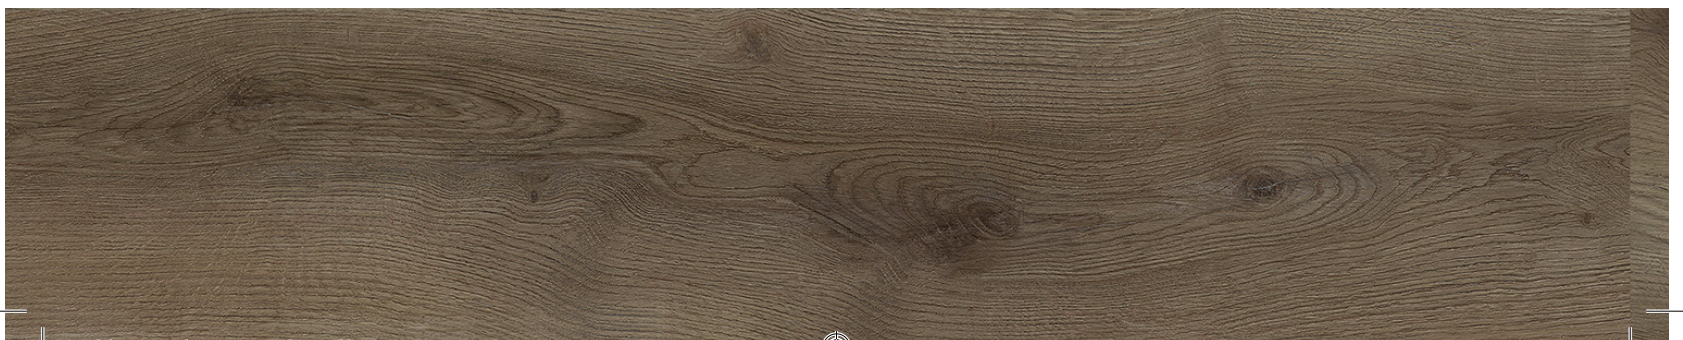

Honey Elm's colour palette is warm and earthy featuring shades of tan, beige and brown with variations that mimic the natural grain of real wood. Partnered with neutral tones, natural light, clean lines and potted greenery, it formulates a minimalist organic and calm atmosphere.

Honey Elm

Dark Oak features a unique wood grain pattern with various knots and imperfections creating an ultra-realistic appearance. The colour palette includes various shades from dark chocolate to lighter browns, combined with other materials such as metal and woven textures to create depth and interest in your space.

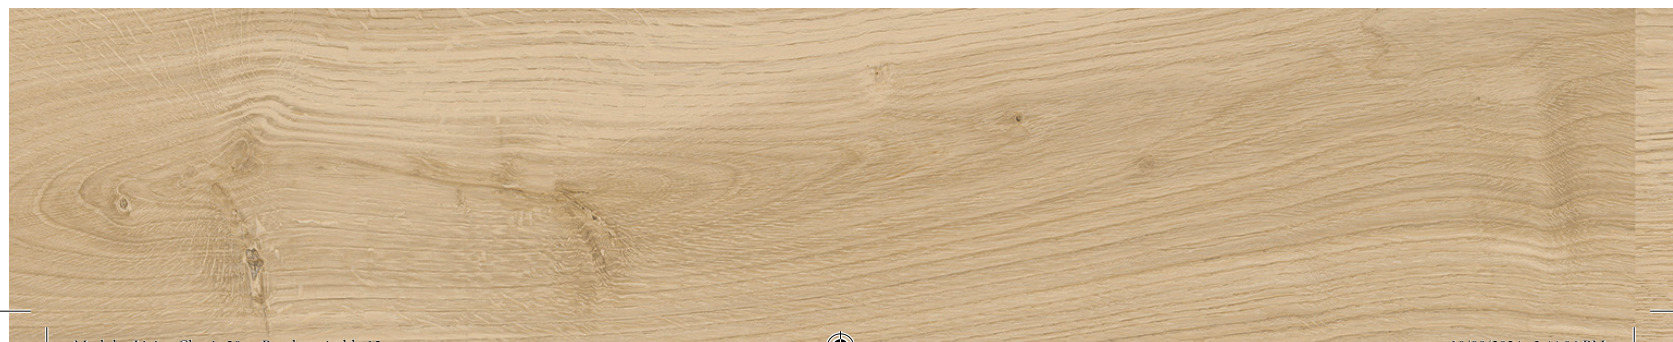

Dark Oak

Blonde Oak features a colour palette of soft sand and muted tan hues with a natural oak grain pattern, adding to a classic and timeless aesthetic. The combination of natural warmth with timber upper cabinets and bold colour accents reflects a contemporary yet functional setting.

Blonde Oak

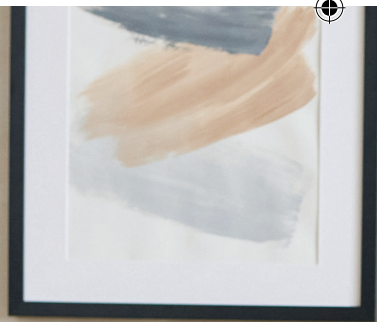

English Elm's grain pattern exhibits a mix of straight and wavy lines, with a neutral colour palette ranging from light beige to muted browns. Combined with contemporary cabinets and luxury finishes it gives life to an urban yet homely feel.

English Elm

Its prominent straight grain pattern with a color palette ranging from light sandy tones to deep browns, Mountain Gum creates a natural and organic feel. Combined with contemporary trends like minimalism and biophilic design, using texture play and greenery, it gives the space a warm and inviting atmosphere.

ern with gum veins and colour
y tones to deeper richer tans,
and organic feel. When teamed
animalism and biophilic design,
it gives rise to a cohesive and
space.

Mountain Gum

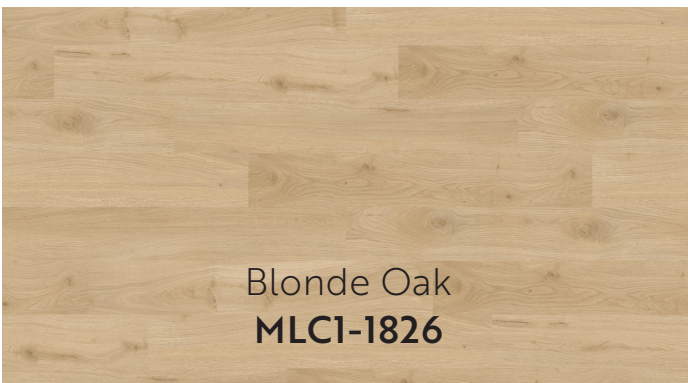

Valley Oak showcases a warm rustic grain pattern flowing horizontally with various knots and a harmonious blend of honeyed tans, soft ambers and muted browns. When merged with a soft palette of white, beige and blush pink, minimalist furniture and a whimsical canopy bed, it creates a stylish and inviting space for young minds.
