# Decorative mural that's easy to install!

## Waterproof product

- Water resistant
- Washable product
- Installation in shower and / or bathtub area

## Easy and quick to install

- Lightweight product that is easy to cut
- Can be installed in a third of the time it would take to install ceramic tiles
- The room's first use can be within 24 hours

## Suitable for all surfaces

- Glue-down installation
- Suitable for new builds
- Refurbishment over existing ceramic tiles

## Super realistic design

- Matte or glossy designs
- Tile and XL / XXL panel sizes
- Extra-thin joints
- Matched to Gerflor flooring

## Durable design

- Tongue & groove assembly
- Rigid product

## Full range

- Aluminium profile design, glues and sealants

## Stocked for quick delivery

- Designs featuring the icon are available in 65×37.5cm tiles from stock

## Made in Belgium

## Circularity

- Reach compliant
- 100% recyclable, eligible for the Second Life Program
- Contains up to 30% recycled products
- EPD Available

# Each project is unique

The Mural Revela Wall collection offers super realistic designs with stone, concrete, wood or marble effects and is available in 3 sizes:

- Tiles: 65 × 37.5 cm
- XL Panels: 90 × 260 cm
- XXL Panels: 120 × 260 cm

Tile and Panel designs with a warm, inviting feel that seamlessly connect through a tongue-and-groove system, offering a range of Mix & Match possibilities. With subtle joints and a contemporary aesthetic, these elements become the defining features of a unique product where every detail matters.

# Durable, waterproof\* and sustainable

Only 5mm thick but just as resistant as ceramic tiles

- ① Polyurethane protective varnish
- ② Decorative film
- ③ Intermediate stability layer
- ④ Rigid layer with recycled content

- A tongue & groove assembly
- A compact and resistant product
- 100% waterproof\* even in the shower and/or bathtub area
- A thin and trendy joint that does not go yellow
- A product that is easy to clean and maintain
- Durable designs that won't fade

Corabia

Colima

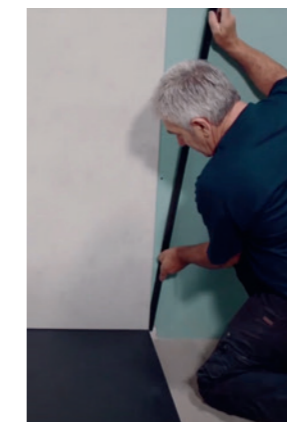

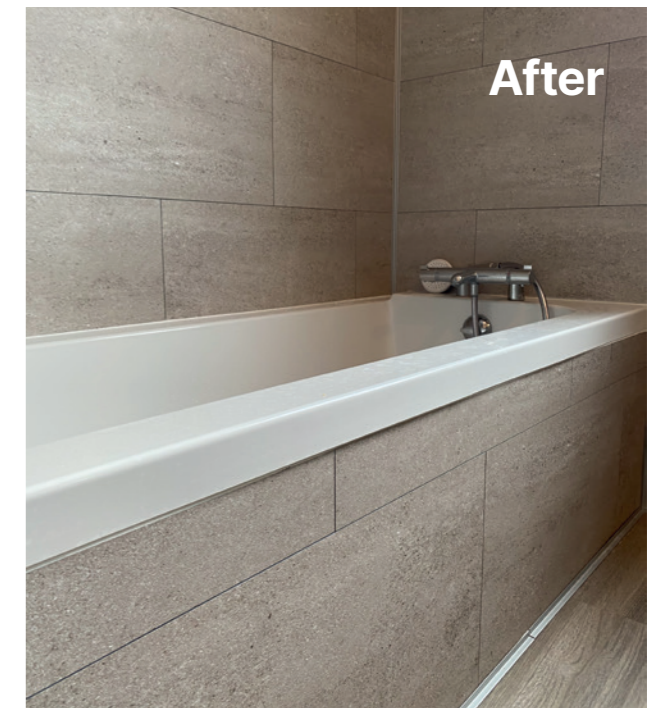

\* By respecting the Gerflor installation protocol

# Suitable for all types of installation

A product that is suitable for new builds, as well as refurbishments

- Direct installation on top of old ceramic tiles or on rough walls
- A rigid product that is suitable for all surfaces, even ones that have slightly deteriorated
- Suitable for refurbishments in busy environments

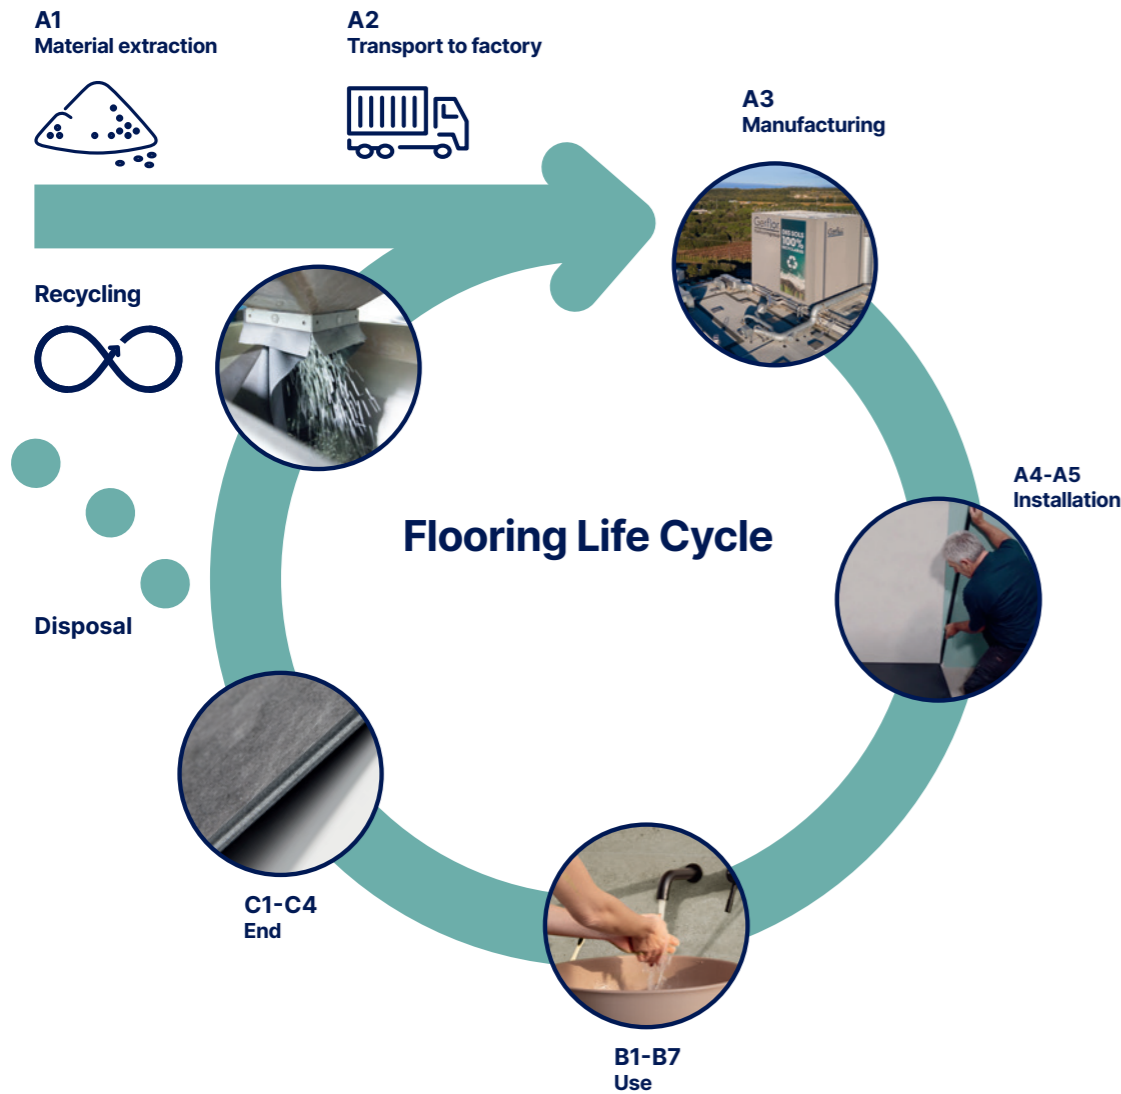

**Quick and easy to install**

- Lightweight product, comfortable to install
- Easy material to work with and cut
- Clean, low dust construction site
- Quick and easy tongue and groove installation
- Reduced downtime, you can shower within first 24 hours after installation

# Our Commitments for a Sustainable future

All Gerflor product ranges are developed according to a life cycle analysis model

# We care / we act

## 2030 targets

The spaces where we live, work, and play have profound impact on our well-being and the health of our planet. As a leader in sustainable flooring, wall and finishes solutions, we embrace this responsibility. We invite you to join us on this journey. Together we can contribute to a more responsible future, one step at a time, because we care and we act.

**we care for climate**  
we act with an ambitious decarbonization roadmap

**-30% CO<sub>2</sub>**  
scopes 1, 2, 3 in tons eq CO<sub>2</sub>, vs 2019. Science Based Targets<sup>(1)</sup>

**we care for resources**  
we act with a more responsible sourcing

**75%** biobased, mineral and recycled content<sup>(2)</sup>      **30%** recycled content<sup>(3)</sup>

**we care for circularity**  
we act by closing the loop and reducing waste

**65 000 tons** annual volume recycled<sup>(4)</sup>      **45%** looselay<sup>(5)</sup>

**we care for your health and well-being**  
we act by creating safe and comfortable environments

**100%** products better than Indoor Air Quality standards<sup>(6)</sup>      **95%** sales covered by EPD<sup>(7)</sup>

**we care for people**  
we act by offering a safe and inclusive workspace

**30%** women<sup>(8)</sup>      **40%** internal mobility<sup>(9)</sup>      **Towards 0** accident<sup>(10)</sup>

**More details:**  
 1. Scopes 1, 2 & 3, in absolute value, market-based. Trajectory approved by SBTi (Science Based Targets Initiative).  
 2. Origin of raw materials for the entire Floor & Wall portfolio, on average, by weight; including 15% virgin salt, a primary element in vinyl manufacturing. Compared to 71% in 2024.  
 3. Average content in the Floor & Wall vinyl portfolio, by weight. Compared to 21% in 2024.  
 4. Recycled in our factories and recycling units. Compared to 59 040 tons in 2024.  
 5. % of Floor activity with non-glued products, easy to remove, easy to re-use. Compared to 40% in 2024.  
 6. 100% of vinyl and linoleum sold to the building market below 100 micrograms /m<sup>3</sup> (TVOC 28 days).  
 7. % of Floor & Wall activity covered by Environmental Product Declarations (EPD). Compared to 44% in 2024.  
 8. % women in our global workforce and among our managers. Compared to respectively 26% and 27% in 2024.  
 9. % job openings filled with internal hires worldwide. Compared to 25% in 2024.  
 10. Towards 0 accident: Lost time accident per million hours worked: below 3 vs 8,9 in 2024, for Gerflor employees worldwide.
